HIGH QUALITY PRODUCTS

“Solid Values with a New Identity”

GREETINGS,

ALAFFAN was created to fulfill a need within the Qatar market for a company that supplies full range of building materials and provide solutions to the construction requirements with good quality, fast and fair pricing.

Our continued investment in our personnel, operations & support functions have played a critical role in the success we have achieved so far. We are endlessly striving to develop and train our talents and prepare them for future leadership roles, all-in-one to realize our nation’s “Vision 2030”.

By expanding Alaffan core activities, we aim to be the “One Stop” destination to provide full solutions & innovations to the building & construction sector. Along the way, we are determined to continue our success and meet any challenges raised by specialized demand or requirements. We attribute this success to the strong relationships we have established through our common-sense principles and business values with our customers and partners.

With our loyal stakeholder’s commitment, trust and continuous support, we aim to retain our leading position in the market.

Best Regards,
